

In order to make the most of Summer Reading this year, **we encourage you to log online.** Our online program will offer the most activities, the most prizes, & the most ways to win! **All library locations have free Wi-Fi & access to Beanstack on our public computers.**

beanstack

Beanstack®, our online logging software, offers you an amazing online experience that allows you to:

- Track your reading
- Complete real-world activities
- Earn virtual badges and tickets
- Enter prize drawings

How to:

Registration is super easy!

1. Go to auglaizelibraries.beanstack.org.
2. Register yourself and/or your family for the program based on age.
3. Log in the site online **or** download the free Beanstack Tracker app on your mobile device to easily log your time and your activities.
4. You can also use this paper log handy to keep track of your time before entering it into Beanstack.

If you cannot register or participate online, you may use this paper record.

1. Track your reading inside this form. Mark one bubble for each hour read. Mark one starfish for each activity completed. *(Hang onto your paper log until you have finished the program.)*
2. Finish any 15 reading hours or activities to complete the paper program. Turn in your completed record by July 16 in any book drop.
3. A staff member will contact you with prize options following the program.
